CANNING STOCK REPORT.

[illegible]

FROM THE SOUTH.

Architects and Builders Visit Washington Colonies.

The following gentlemen appeared in the Independent a weekly newspaper published at Washington Colonies, Alameda county. We take them from that paper, but cannot be responsible for their correctness:

Silver hundred sheep have been sent from this town, this week, by Messrs. Sanford & Chesebro to Fort Mission.

During the past week, 182 boxes of raisins have been shipped from Berry & Gilbert's Orchard, Mission San Jose, and 1 box of raisins from Washington to Salt Lake for the Union Reserving Company near the Salt Lake depot.

Last week, Wednesday, the oldest son of Henry Hitchcock while playing with a loaded gun, Mission San Jose, was jumping, fell with the hammer of the gun in the region of the heart, the contents passing through the body. It struck on the right side of the breast bone, glancing around the ribs and coming out between the shoulders.

On Friday afternoon of last week, Edward Silva, while at work on the railway track in the Livermore Valley, slipped from his standing on the top of a car and fell to the ground. One of the horses of the train stepped through the left leg, between the calf and the knee.

During the past week there have been shipped by rail, from the Warm Springs, the warehouses of T. B. Richardson, two cars loaded with dynamite, and the other with coal oil, the latter consisting of 1,000 cases. Each car was also shipped to Belle Brake at Pleasanton Railroad Company, Ruby Nevada.

The amount of revenue collected at the custom house warehouse of C. J. Edmonds in this place during the past week is, $27,000 in specific duties, the amount of the valuation of which is $41,219 besides the amount of wheat 365 sacks, and of oats 30 sacks, making the total amount of 8,165 pounds of grain received up to Friday, one month's work.

EAST OAKLAND ITEMS.

Improvements on the Narrow Gauge Street Railway.

The effects of the new horse railway from East Oakland through the Redwoods south and Fruitvale beyond to Fruitvale, have come to be felt in the value of property. The Hitchcock estate of Fruitvale, consisting of 200 acres, and the property of the Occidental Land Company, of San Francisco, has been sold with Mr. J. W. Watson for the creation of a dwelling of the most approved style and modern improvements, and for the sale of the remainder in small lots, with the view of making it a desirable residence locality. The improvements are to be commenced at once, and are estimated at about $50,000. The Fruitvale property of the Occidental Land Company, consisting of 200 acres, was sold to Mr. Hitchcock for $1,000 per acre. Many other sales of property have been made, and more are expected to be consummated shortly.

Last week, Wednesday, the oldest son of Henry Hitchcock while playing with a loaded gun, Mission San Jose, was jumping, fell with the hammer of the gun in the region of the heart, the contents passing through the body.
